

Muir Hotel - Seasonal Skipper

You may have seen us, literally coming out of the water. Or wondered what is happening with that new development on the waterfront. At Queen's Marque we are committed to being extraordinary. This exceptional building utilizes the newest technology and a dedicated team of professionals, we are setting the bar for service delivery in Nova Scotia. We are presently seeking a full-time seasonal **Skipper** to join our team this season.

Skippers will be expected to safely operate and dock a 36-foot sailboat, Little Wing II, and a 24-foot motorboat, Reach.

Job Duties:

- Safely operate and dock a 36-foot sailboat, Little Wing II, and a 24-foot motorboat, Reach.
- Safely transport guests and residents on each vessel.
- Operate the vessels in accordance with all Transport Canada and company policies and procedures.
- Provide effective and professional communication and service with guests and other colleagues.
- Proactively identify any safety hazards and escalate for corrective action.
- Conduct basic maintenance including cleaning.

Your job qualifications for the position will include:

- a. SVOP
- b. Med A3
- c. Marine First Aid
- d. Restricted Operator's Certificate (ROC-M)

Your experience and skills include:

- Familiarity with local area and attractions
- Availability for the full Skipper season
- High School Education
- Outgoing, enthusiastic and personable
- Patience, discretion, confidentiality and courtesy essential
- Excellent communication abilities - with English as mandatory and a relevant second language an asset

Shifts: Vary in their start and end time and can change due to the needs of our guests and weather. A mixture of days, evenings, holidays and weekend shifts.

Our commitment to Diversity & Inclusion: We are an inclusive company and our ambition is to attract, recruit, and promote diverse talent.
